Augusta, SC 29841 **Principal:** Rose Marshall
Phone: (803) 442-6090

Mentoring Program: Yes **Description:** Yes, it is called 'Adopt a Turtle' Mentoring Program. Teachers of 3rd, 4th and 5th grades were asked to refer males in which they thought needed extra support, encouragement and guidance that will assist them in overcoming their barriers academically, socially and emotionally. Upon their referrals, the parent(s) of each male student were sent letters of permission for their son to participate. Each student will be paired with a mentor. The mentors are encouraged to meet the student and lunch schedules will be given for the mentor to have lunch with the student occasionally as well as establishing a rapport with the teacher(s) and parent(s). If the mentor desires to extend a mentor relationship beyond the school, it will be discussed and arranged between the mentor and parent(s). We strongly encourage that the mentor to be familiar with the student's interests, special occasions (birthdays, achievements etc.).

641-2690 Mentoring Program: Yes Description:

North Aiken is continuing with a male mentoring program (Real Men Read, Real Men Succeed) that started last year. We used data and identified 2nd and 3rd grade boys to target for this year. If we have enough male mentors, we will extend the program to other grade levels. Male role models are asked to commit to at least one day per week to spend with the students. The mentors go through an orientation prior to beginning with their mentees. The mentors are encouraged to read to students or serve as lunch buddies. More positive male role models are needed for the mentoring program. **Contact Person:** Debra Heath, Guidance Counselor 803-641-2690
